Hi. Shell

Hope ya really have a great year and many to come. You're a really sweet person.

Ray

Michelle,

To a really neat person. Good luck in nursing. Have fun this year. (especially in chemistry, if thats possible!) Wishing for the best. "78" friends, Karen

Michelle,

We've had a lot of great times in school, and I'm sure that we will have more this year. You're a really neat person and I'm glad that I had the chance to get to know you. Good-luck on the future and make the best of your Senior year. At last we're seniors!!! catch ya later,

"78" Kent

Michelle,

couldn't find a place to write so I thought I would squeeze in here. How you been? always remember the Fun we used to have in Band and Physical Science but most of all remember me.

Love

Kris

Chimelle, Remember when I gave you that name? Back in 8th grade. It's been a long time ago about it but it seems like yesterday. There's a lot of memories of you, let make our last year the best!

[illegible]

Michelle, Well the end is near, [illegible] remember [illegible] Good luck [illegible] Always [illegible] "78" [illegible] Luck + the future + [illegible] Bob

Michelle - We've really gotten closer during the summer. I guess it's because we went through a lot together - like Flint (that big glittering city) I have you to thank for introducing me to the city life. Remember the good times we had this summer - camping (& eating), playing (?) tennis, partying in the Datsun. I hope that we can remain friends even after we graduate though I know we'll be going our seperate ways. Good luck with Mason in the future. I hope you invite me to your wedding (you'd better!) Your invited to mine in the year 2000 when I marry a Martian. I think you should get the Late for everything award this year. Just be on time for graduation + for your wedding - those are the 2 things that count. I can see you now - running across the football field in your cap + gown on grad. day saying "Wait, Wait!!!" I'm glad you were around this summer when I needed some one to talk to - you helped me over some rough times, (Dave) I could go on + on about all our old memories, but I'm sure you remember them to. Just never forget them or me. Good Luck!

Love Brenda

"Seniors 78"

Hi Michelle
You know the year will be going by fast and mine is to so don't let it go so fast because you know when you are out you will have to work and you know that isn't fun because I am experiencing it right now and I'm not even out of school so wish you good luck in the future cutey.

(Beano) "78"

Michelle

Michelle,

To a nice, sweet girl who has a lot going for her. Just think one day you'll be **R.N.** (head registered nurse) at Kelsey Memorial, well good luck anyway.

IN DEDICATION . . .

We, the annual staff, would like to dedicate this year's edition of the Lakeview annual to Mr. Elmer Coon, who, since 1949 has been involved in the Music Department here at L.H.S. In 1960, he became involved in his first operetta, which was "The Mikado." Seventeen years and twenty-five operetta performances later, we are losing Mr. Coon, but we will always remember the aura of Broadway he brought to Lakeview.

We considered our basketball season very successful this year, in spite of our win-loss record. Our team was very young and inexperienced. Each game brought noticeable improvements. During tournaments we rallied and played in the District Finals.

Two girls from our team were named to the All-Conference Team roster. Amy Disher made the second team, and Linda London was selected for the first team. Linda was also voted the most outstanding player in the league. With these two, in addition to having almost everyone returning, we are looking forward to a good season next year.

J.V. Football

The Junior Varsity Football team finished with a 8-1 record, and many memories. The JV's started out with their one and only loss of the season against Central Montcalm. The Junior "Wildcats" then won their 7 games in a row breaking an old record of 6. A memory of the season was when Coach Robinson promised players that he would get an afro if they'd beat their arch rival, Portland. They did by the score of 20-6, giving Coach Robinson a new hair style when he came to school the following Monday.

Sophomore, Noe Perez, led the team in rushing with 1,026, being the first person on a Junior Varsity team to rush over 1,000 yards.

Sophomore, Doug Davis, led in passing as he completed 14 out of 32, for 228 yards. His main receiver Kevin Olson caught 7 passes for 166 yards. Rick Bristol led the team in tackles with 76.

The Lakeview grappling team, to say the least, surprised themselves and the fans. They started out with five seniors and only three of these had varsity wrestling experience in previous years. The rest of the team consisted of sophomores, freshmen, and a junior. At first, it looked as though the team would be lucky to receive as many wins as losses. The surprise built up and by the end of the season the grapplers had only lost 1 match, repeated their predecessors by capturing the 5th TCAA championship, and broken three league and school records. Six wrestlers came through in Districts, one of them an apprentice wrestler. Rudy Rameriz, Rick Marshall, Scott Case, John Kehl, Steve Moblo, and Bob Grove all placed in the Districts. In regionals, Rudy Rameriz, Rick Marshall, and John all placed 1st, while Steve Moblo placed third. Three wrestlers were Lakeview's representatives at the state tournament. After the smoke had cleared, and the two days of wrestling were over, both John Kehl and Rudy Ramariz fought through the blinding competition to take fifth place. Lakeview is expecting an experienced team next year and to repeat past glories.

ACTIVITIES

Homecoming 76

Monday started homecoming week with the Day of the Fifties. At the end of the day, Jeff Crawford and Cindy Timiney were chosen as the fifties king and queen.

Tuesday was carnival night and each class and organization provided booths.

Next was Fairy Tales Day and everyone dressed as a character from a fairy tale of their choice. That night a bonfire brought many students together. Doughnuts and cider were provided for everyone.

Thursday came the Powder Puff football game, won by the Seniors.

Then finally Friday night! Everyone came to the football game to watch Lakeview beat Montabella 35-0. Afterwards they attended a dance with music from Octave Entertainment.

pictures & jokes! And all those books we kept in there to read whenever we felt like a thrill! Remember Butch in that magazine of Brenda's? (How can anyone forget Butch!?) And every time we went to Brenda's we would go back in her room & pull out all those Play Bills! Do you remember what we were talking about in the tent on Memorial Eve? I'm surprised if you remember I hope Mark wasn't out there listening! I wish I could have been here this summer to do all those things you guys did together! Some day we'll have to all wear our "Electric Rodeo" T-shirts! They're pretty neat! We haven't got any classes together this year! (Except band of course!) We always have a riot on the bus when we go to band things! Remember that time Karen was mad at us & we ate all those Doritos & grapes & we took pictures of us guys acting like retards! (When don't we?) Also the time with the helium balloons! (When Mr. Mitchell thought we were moaning! What a dense-head! Well I'm running out of room although I do have more to write! I'm sure you won't have much trouble remembering most of the stuff we've done anyways!?!! Good luck always! Hope you & Mason get married soon cause I feel like going to a wedding! AMBLE
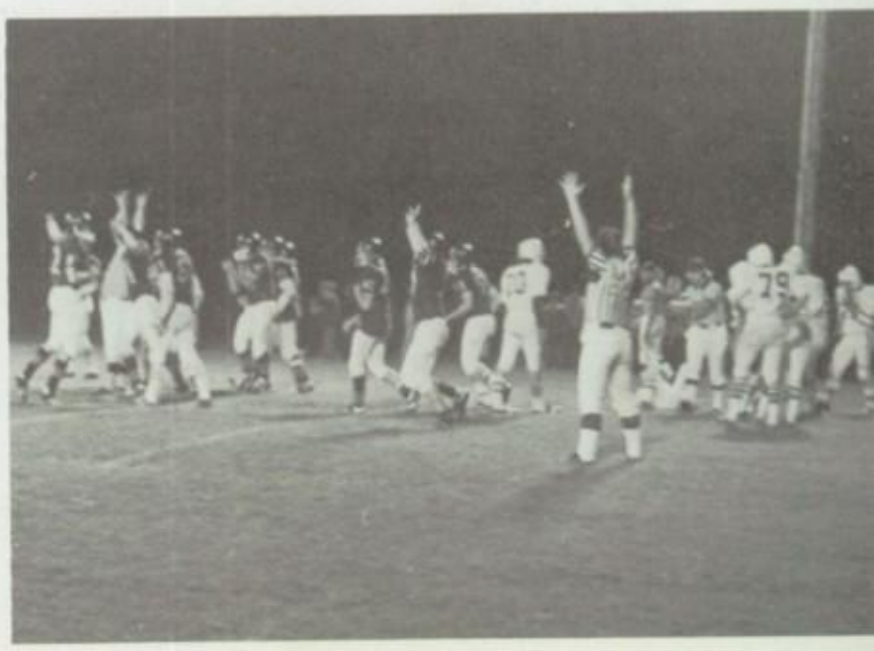
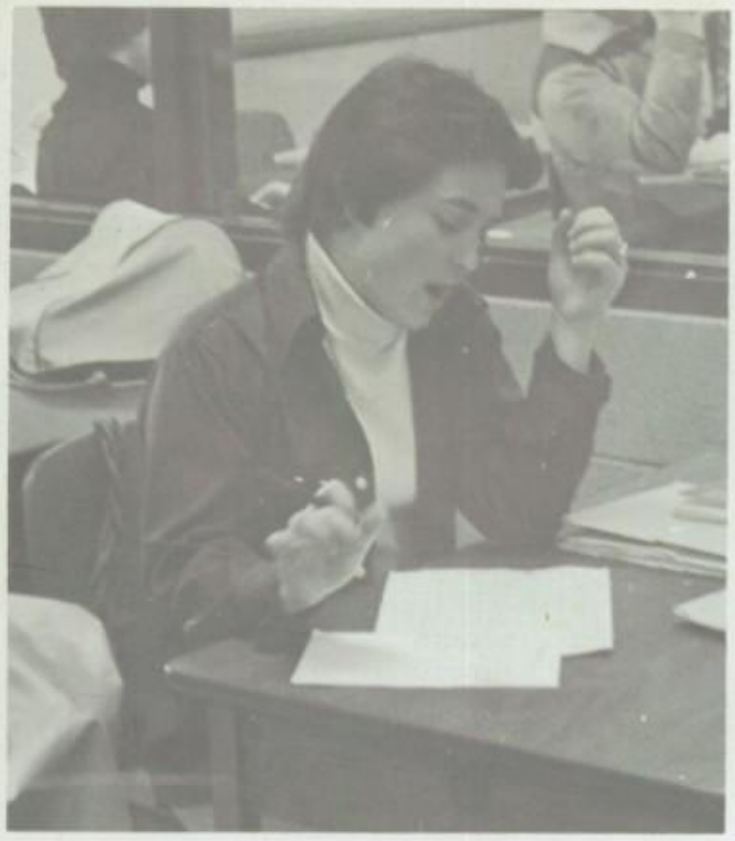
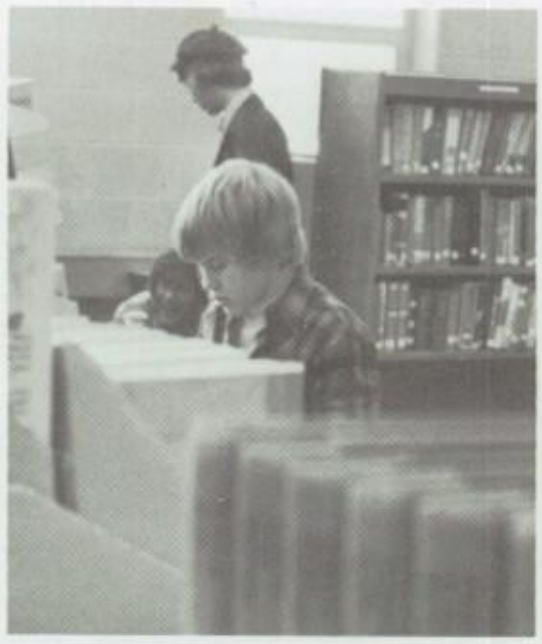
RULES







Michelle, (Even tho you never did write to me in California!)
One of my closest friends! We've had a lot of fun in the past and I hope we continue to be friends for ever. We've had many(!) disagreements- not just between you + me, but also with Karen + Brenda(!) (Last year when Brenda was "high society"- at that basketball game when she threw those keys + gave us the finger + didn't invite us to her party + Pass called you at 1:00 in the morning + started yelling at ya?!!) I guess it really would be strange if we didn't fight tho, cause that's what happens to good friends (so I heard!) We'll have to keep playing in the pep band at basketball games cause we always have a riot! (Playing a rest in the Star Spangled Banner!(Brenda!)) And at football games when we march at half time + we always freeze our buns off!! Last year when I liked Brad + you guys would sit behind us + make me nervous. We'll have to camp out this Fri. night cause we have Potato Parade Sat! Remember how we always used to camp every night before we had a festival or something to go to?! That was a riot! Last Memorial Day (Eve) when we camped at Brenda's + painted "Seniors 78" on the road! We were so afraid we were going to get caught! Then when you + Brenda were going with Mason + Pass + Me and Karen never had a boyfriend (for long anyways!) So we were always looking for guys to be fixed up with! And decorating our locker with all those dirty

Michelle
Well, we finally made it! I'll never forget the first day you came & when you got in trouble in Van Vliet's class & I didn't! I hope this year will be as fun as all the rest. Keep in touch...

Take Care-
Linda

P.S. I would have written more, but the bell was about to ring!

I'm really glad I got to know you in my Freshman year, and I hope we get to know each other better this year.
Well you've finally made it to your senior year. (I figure if you can make it, well so can I). Your one of the sweetest people I know and don't ever change.
Good luck & take care.

Love
Beth

P.S. You're one of the sweetest FTA's I ever had.

Michelle-
Through the years we have become good friends, and I'm glad I have had the chance to get to know you. We've had some good times in classes together, and cheerleading. Remember eating corn? and babysitting at Kutz'. I hope we can get together more often this year becau[se] it is our last year! We have to make it our best!!!
I want to wish you the best of luck always in everything you do. I know you'll make lots of friends wherever you go. Lots of luck with Mason and your future plans. Keep in touch always (OK?)

Love,
Sharyl

P.S. Good Luck as Queen

Michelle-
I can think
of just one word
for you: CRAZY!!! But
that's really a nice crazy.

You're really a sweetie. I remember
